STAT

Dear Hilley,

Ever since receiving your answer to my letter I have been full of silent praise for your putting [redacted] in touch with Mr. Kelley. I am most apologetic for this tardy note of thanks and only hope you will realize how much I appreciated hearing from you.

As you may know my life is fairly hectic since I am in the real estate business in addition to keeping the home fires burning. Last week I had a pale that kept me on tender hooks. It has just gone through so all is well.

[redacted] was very much impressed with your personnel department and Mr. Kelley was certainly most kind and efficient. I feel sure that if there should be an opening for for any job that the undertook would be well done.

Thank you again, Hilley, for your great kindness to me.

Most sincerely yours,  
Lummary.
